WHAT WE DO

- **Global Education** - empowering youth awareness of the world around them and the desire to contribute to positive change.
- **College & Career Access** - putting students on the path to actively pursue their chosen path after high school
- **Social & Emotional Wellness** support for students and their families
- **Academic Achievement** - ensuring students acquire the knowledge and skills they need to achieve academic success and pursue their chosen path

OUR MISSION

Global Kids (GK) educates, inspires and mobilizes youth to become global citizens who are positively engaged in the world and are prepared for their future.

WHY GLOBAL KIDS?

- Global Kids offers **YOUTH-CENTERED** programming that prioritizes young people's experiences and elevates their participation in decision-making processes
- **INNOVATIVE** and **ENGAGING** programs expose young people to new experiences within their communities and the world
- Our programs and educational supports cultivate **ACADEMIC ACHIEVEMENT** and an advanced understanding of **CIVIC ENGAGEMENT**
- Global Kids' activities are guided by a values-driven approach that aims to build up a young person so as to mobilize them to become **PURPOSE-DRIVEN, INCLUSIVE, ENGAGED** and **ACTIVATED GLOBAL CITIZENS**.

OUR HISTORY

Over 35 years ago, **Global Kids (GK)** was established to address the urgent need for young people to develop the skills, knowledge and values needed to achieve academic success and global awareness.

Today, **GK reaches over 10,000 students and educators across New York City and Washington DC** annually. Since its inception in 1989, GK has received national recognition for exemplary practices in international education, digital media programming, experiential learning, and youth development.

OUR IMPACT

2020-2021 SCHOOL OUTCOMES:

- **85%** 4-year graduation rate
- **75%** 9th & 10th graders on track for graduation
- **62%** of graduates enrolled in college or other post-secondary activity, 6 months after graduation

OUR GOALS

BY 2027 ...

- **75% of all GK youth** will exhibit increased efficacy in three or more **global citizenship competencies**
- GK will support its schools in achieving an **80% on-time grade completion rate**
- Global Kids will support its schools in achieving an average of **75% college acceptance and enrollment rate** among its graduates
